INTERPRETATION IS YOUR RIGHT!

You have the right to free interpretation and translation services from DC government employees. Next time you visit a government agency request:

Interpretation in your language.

DC government employees must provide an inperson or phone interpreter in your language.

Translated documents in your language.

DC government employees must provide applications, notices, complaint forms, and outreach materials translated in your language.

Make a complaint. Call (202) 727-4559.

If a DC government employee does not provide translation or translated documents, call the DC Office of Human Rights to file a complaint or visit ohr.dc.gov/service/know-your-rights-language-access.

For more information and support, call the Ethiopian Community Center: (202) 726-0800
